

WALK OF MASONRY

You are invited to memorialize the service that you or a family member has given through the orders of Masonry by obtaining an engraved brick paver to become a permanent supporter of Freedom's Walk of Masonry. Your paver will be engraved with the Masonic emblem, your name, date of raising, and Lodge name.

If your Lodge would like to be a part of this walkway, your brick would be engraved with the Lodge name, location and Charter date.

Brick donations are open to all organizations recognized by the Grand Lodge of Virginia. When your brick is added to the walkway you will receive a map depicting its location in the walkway and a photo of your brick as placed.

The proceeds from your donation will go towards the maintenance and future care of the walkway and to the Freedom Lodge No. 118 Building Fund.
