

Meets First Friday

Freedom Lodge No. 118, A. F. & A. M.  
Lovettsville, Virginia 22080

October 7, 1975

Brethren:

The attendance at the last 3 stated Communications has been very encouraging, summer time is usually a very busy time for everybody considering the growing season, vacation time, etc. Those of you who have not been able to attend in the hot weather months are in for a pleasant surprise -- our new air conditioners make the meetings much more comfortable.

The exhaust fan has been installed in our restroom so it is now ready for final inspection. The next project on the building committee's agenda is to paint the ceiling before installing the new lighting system along the walls. We have the paint so all we have to do is get the scaffolds and set the time. We will probably do this at night so please lend a hand if you're called on to help.

The second week in October is a very busy week. I would like to encourage all the Brethren to attend District school at Hamilton Lodge #37 Wednesday, October 15, at 7:30 at which time we will practice the E. A. degree which will be conferred the following Friday at Freedom #118. Thursday night, October 18, is Hamilton #37's stated and is designated re-dedication night. Rt. Wor. Charles A. Sinclair, Jr., is guest speaker. This meeting is designed for all Masons in the 2nd Masonic District and I urge all members of Freedom #118 to attend.

There will be a called Communication of Freedom #118 on Friday, October 17, 1975, at 7:30 p. m., for work in the Entered Apprentice Degree.

The "Cornerstone Club" of Freedom #118 will present their fall dance at the Lovettsville Game Club on Friday, November 21, 1975 at 9:00 p. m. Music by Johnny Norris and tickets will be \$8.00 per couple. Please see Bro. Gene Ridgeway for advance ticket sales or table reservations.

Our stated Communication in November will be Past Master's night. All Past Masters please make a special effort to attend this meeting.
